WELCOME TO OUR MARCH ISSUE...

...and a warm welcome to Spring at long last!

We are delighted to be covering a host of diverse events throughout March. Rev'd Lauretta has lined up four excellent Lent Lunchtime talks with fascinating speakers on many diverse subjects - well worth attending. Also, quizzes at the Rugby Club, and for Bathford School - see What's On (P19) for details. The forthcoming Mystery Meals (see P5) look extremely mouthwatering; more details in the April issue. Our centre spread this month features the

Village Club (RBL). It's very much the social core of Bathford providing entertainment and events for all of us. If you haven't been to the Club before or your visits have lapsed, give them another look. The new monthly Jazz Evenings have introduced a whole new audience to the Club and provided a showcase for our many local talented musicians. And the Club annually preserves the honour of remembrance for those who gave their lives in conflict.

If you were unfortunate to miss the Bathford Players' excellent production of **'Peter Pan**, **the pantomime'**, which played to sell-out audiences, you missed a treat. Read all about it on P17.

- We were delighted to get some great
- comments about February's magazine. "Your

best issue yet"(JM) and "The February Bulletin looks great! We always appreciate the huge

- amount of work that goes into producing it."
- (JT). We're indebted to the significant input
- from our contributors. Similarly, our advertisers
- whose revenue provides the lifeblood that
- allows this magazine to be self-financing and
- free to you the readers.
- Finally folks, don't forget that March 10 is
- Mothering Sunday! Get your cards, gifts,
- flowers and restaurant bookings sorted now!

MYSTERY MEALS

Image by Freepik

You are all warmly invited to take part in a series of fundraising lunch and supper parties in private houses, with all of the proceeds going to the local charity GENESIS FOOD BANK. Taking place on 30 April, 1, 2, 4, 9 and 10 May, the meals will generate valuable income for this very worthwhile charity. A three-course meal with wine will cost £25pp.

Details of the menus with dates, will be available in the April edition of The Bathford Bulletin. All the hosts/hostesses live within one mile of the Village Shop.

There is an element of surprise, as you will not know which home you are going to until the morning of the event!

If you have questions meanwhile, please contact Jeremy Furber, on behalf of St Swithun's Church, by email at jfurber40@gmail.com or call on 01225 542582.

MAKE A DIFFERENCE IN **BATHFORD'S FUTURF**

The Parish Council has a post available for a new Councillor.

Becoming a Councillor gives you the opportunity to make a major contribution to the welfare of Bathford's community. That involves helping to maintain the public assets, improving the services and the quality of life in Bathford, and generating new ideas and initiatives. You also help to plan the future of our community to help the diverse range of ages and interests of the residents. Specific areas of interest include Highways, Communications. Finance/Admin. Amenities. and Planning.

The post is open to ALL ages. If you'd like to know more, please contact Hillary Carr at hcarr@bathford.net, tel. 07767 383095 or via the Clerk at clerk@bathford.net

ST SWITHUN'S FILM CLUB

We have a real 'feel good' film for our March showing, 'Military Wives'. It is based on a true story and stars Kristin Scott Thomas in a heartfelt story of friendship, love and support on the home front as well some fantastic songs. (Cert 12 2019). Please join us at 14:00 on Monday 25 March and enjoy complimentary tea and cakes after the film (Suggested donation £3).

No need to book. The film club is always held on the 4th Monday of each month. Any questions please phone Ann Wade on 07766554649.

FROM ST SWITHUN'S Dear Friends

I wonder if you enjoyed pancakes on Shrove Tuesday? Did this help mark the beginning of Lent on Ash Wednesday?

Over the years Christians have chosen to focus on prayer, fasting and acts of service during Lent, to identify more closely with Christ and his 40 days in the wilderness. Whether you choose to pray more deliberately, set aside some money for charity, or give up a treat like chocolate, Lent is certainly a good opportunity to see how change can bring a fuller life.

As a benefice we are having a series of Lent lunches between now and Easter - each of the speakers has been chosen to help open our eyes to more of the fulness of life that Jesus promised. I am delighted with the prospect of each and every one of them and I hope you'll be similarly interested and come along. Everyone is welcome. Because we are a benefice the lunches will be in both Batheaston and Bathford and to keep us all on our toes they are on different days of the week!

See you there!

Every week throughout Lent. Meet at 12 noon for lunch (bring a picnic!) Talks begin at 12:30

Thursday 29 February | St Swithun's Eco Living with Ian MacKay

Wed 6 March | St Swithun's International Action – Mary's Meals

Wed 13 March | St John's Local Green Living - Share & Repair Shop

Wed 20 March | St John's Wellbeing and Good Living – Bath City Farm

Wed 27 March | St Swithun's Rural Action! – Jamie's Farm

Bring your own picnic lunch and enjoy a warming cup of tea or coffee which will be served in Church.

GET OUT AND ABOUT TO HELP OUT

There are a number of areas and projects around the Parish that require some attention, which could best be tackled by having volunteers who could be called upon when needed, most probably, but not exclusively, at weekends. The Parish Council would LOVE to compile a database of folk who we can draw upon individually or as a group, who we could assign various projects to, depending upon what is needed, and skills required.

We anticipate 90% will be outdoor tasks and would entail light work only, with refreshments provided. This is a great chance to get out, get some exercise and make new friends – and contribute to improving Bathford's community. It doesn't matter if you already volunteer in some other way, there's plenty to be done!

BATHFORD SOCIETY Review of meeting on 29 January

THE HISTORY OF LARKHALL: Katherine Holden and June Hannan

Larkhall has a bubbly community. The adjective works because Larkhall's industries were to an extent based around its availability of water. In Bath, according to a mid-19th century census, there were 424 women in home laundry work, many of them in Larkhall and advertised in the local press. The RUH even set up its own laundry in Larkhall.

Dead Mill, still standing, was at various stages involved in fulling (part of the processing of woollen cloth) and threshing corn. The Lambridge Mill was connected with leather

ECOLOGICAL SURVEYS AROUND BATHFORD: Felicity Husband

Monday 25 March 2024 Bathford Parish Hall

Last year, the Bathford Society programme included a talk on the maintenance of the 1840s Bathford Bridge which is rated as Grade II. Part of the Network Rail request for planning permission included an ecological survey of the area up to 1 Km from the bridge. We circulated it to the membership and it aroused so much interest, that we invited Ecus, the company that undertook the survey, to tell us how they went about it. They managed to identify 60 or so dressing, glue making and flour production. Somebody tried to make beer, but it tasted awful, the reason being its high iron content. Not to be daunted, the water was used to set up Bladud Spa. and the bottled water was sold nationally.

Bath was a pioneer in setting up children's homes, the aim being to keep children out of the Workhouse. There were two in Larkhall, for boys and girls. The foster mothers had up to 21 children aged between 3 and 14 with no domestic help!

Lambridge was bombed and one of our audience remembered walking up to Swainswick for safety. It was a riveting talk and we learned so much more about our vibrant neighbour!

birds, as well as noting otters and other animals and gave an extensive list of plants. In this talk, Felicity Husband, Ecus Associate Director, will tell us about the methodology and effort involved in a major survey of this kind, and will show us photographs of the more interesting species. Before the talk, members will be sent a link to the original report (also on the Bathford Society website). The talk will still be interesting even if you don't have time to look at the survey in advance!

Coffee is available from 19:30. Visitors and new members are welcome. Admission £3 for non-members.

THE VILLAGE

Bathford

BATHFORD VILLAGE CLUB a local gem with more to it than meets the eye!

Chair of the Club, Lyn Derrick, tells us about the past, present and hopes and plans for the future.

The Village Club has been part of Bathford since 1945/6. It started out as the British Legion Club for ex-servicemen in a shed provided by the Ministry of Defence, on what is now our car park. The present building was constructed in 1964 to provide a better facility for local people and was built by local people, who put their tradesmen's skills to great use.

Not too dissimilar to BEFA and the Village Shop, the Club is a membership organisation and is run by a committee of local volunteers, who all give their time for free, to steer how it operates and what it offers. The building is owned by the Royal British Legion but is leased to the Village Club Committee and we aim to run it for the benefit of our community.

For many years, the Club had a large membership, which was unfortunately decimated through closure for two years during the pandemic. The Committee is working hard to raise the Club's profile and increase our membership and put the Club back at the heart of the community again. We are determined to see to it that everyone, especially newcomers get a warm welcome!

In 2023, we feared that we might face closure altogether, as a building survey showed the electrics needed to be upgraded to meet required standards. To our credit, we crowd funded and, together with a welcome contribution from the Parish Council, we raised well over the necessary six thousand pounds to complete the repairs. We know there's a broad spectrum of ages and interests in the Parish to cater for and the Club hosts a wide range of entertainment and events including:

- Live entertainment at least twice a month with popular artistes
- Monthly Bingo which is always such a fun and sociable evening
- Jazz Jam Sessions every third Friday of the month which bring together a wealth of talented local musicians
- Regularly screening of major sporting events
- We have two mixed skittles teams who play in our skittle alley
- We host both the Bath Sailing Club for their programme of interesting talks as well as Tots to Teens Ballet classes

We would love to add a Pool Team, a Darts Team and host a Bridge Club if some enthusiasts stepped forward. Do get in touch if you are interested!

The Club has a full catering facility and hosts wedding receptions, parties and celebrations for all ages. If there is a chef who wants to make use of the facilities, we would be delighted to discuss the opportunities.

Along with our one paid member of staff, our Bar person, the Club's Committee always put themselves out to help with or host community events held on the Village Green. For example, we were delighted last year to jointly host and cater for the Queen's Platinum Jubilee celebrations and the Teddy Bear's Tea Party and then to serve mulled wine and mince pies at the Christmas Carol evening in December. These events have been very well attended and raised valuable funds for charities along with the Club.

Importantly, we are pleased that the Club forms the focal point for the annual British Legion Remembrance Day Parade in November, which starts at the Club and continues to St. Swithun's Church for the service and wreathlaying at the war memorial. Every year the parade is escorted by the 'Cripples Club' – a posse of Bath-based motor bike riders who help make it an impressive sight.

We provide a great venue with drinks prices that are such good value. If you would like to join, it's only £23 for a year and for that you get a 10% discount on all your drinks and have a chance to be voted on to the committee and play a part in the running of the Club.

Moving forward, whatever you'd like to see at the Club, come and put it on. We'd love to have more of you with us!

Further information is available at www. villageclubbathford.co.uk or to contact the club about an event, contact Emma Hughes, Club Secretary on 07588 966641 or by email at thevillageclubbathford@gmail.com

POTHOLES, BROKEN PAVING SLABS, BLOCKED DRAINS?

Did you know that you can report these problems and more, if they are related to streets, parks or greenspaces directly to B&NES via the website Fix My Street?

The web link is: www.fixmystreet.com

Once there, you follow a series of questions which gives you the opportunity to report the issue:

- Enter a location postcode or street name
- You will be shown a map and you need to click on the location of the problem
- Enter details of the problem. A photo is very useful and you should upload this
- Then you just need to confirm your report and it will go straight to the team in B&NES who will investigate.

It has been proven to be an efficient system and at the time of writing there had been 469 reports in the previous week and 1,070 that had been fixed in the previous month.

If you don't have access to the website, you could phone Council Connect on **01225 39 40 41** instead.

WELCOME to the Parish

- Are you new to the Parish?
- Do you have a neighbour who has moved in recently?
- Are you a local group or organisation that wants to promote yourself to new residents?

Then you need to contact Pam at: pampriston@googlemail.com

Pam collates information of interest for new residents into a pack and delivers it to them as a gesture of welcome, to our community.

SAFER ROADS THROUGH THE PARISH

Hopefully you were not one of the 2240 drivers that were reported to the Police having been caught driving well above the speed limit past either of the Parish Council's two Auto SpeedWatch devices during the pilot phase of their use! They are positioned on the High Street and the Box Road. The highest speeds recorded were 57mph on the Box Road and a remarkable, 56mph on the High Street!

The devices complement the roadside speed monitoring sessions that local Community SpeedWatch volunteers undertake.

Registered owners of speeding vehicles are sent a letter from the Police, warning them of the dangers of speeding and that it is unacceptable.

The devices have helped build up a pattern of driver behaviour. On the Box Road, some vehicles have been reported multiple times – one as many as 18 times! The Police are currently undertaking a complete review of **Community SpeedWatch** and how to deal with prolific speeders is under consideration, as obviously warning letters aren't a good enough deterrent for some!

The Police will be consulting with the **Parish Council Highways Committee** on the continued use of the devices, to aid further evidence of excessive speeding problems and perhaps have specific targets, such as commercial vehicles or those driving at very high speeds etc.

Both Community Speedwatch Teams on the Box Road and High Street would love your help. Please contact: clerk@bathford. net to register your interest.

AND SUDDENLY, IT'S SPRING!

I said in last month's article that it would be here before you knew it. And just look at what was in flower in early February - just too many examples to put in the Bulletin. The most plentiful were the snowdrops, the most surprising were the tulips. I can take credit for the proliferation of the snowdrops because in the past I dug up some clumps and spread them around, and they have multiplied wonderfully. The tulips are an early variety, and although they're in pots, they have been outside all winter, so you can't accuse me of cheating. And as for the hellebores I'm sure they are interbreeding - I can't believe I spent that much on the different varieties that I now have. It's just a pity that I can't put all the pictures in the Bulletin.

By the time you read this article, it will indeed be spring – at least meteorological spring, which starts on 1 March. Then for the starry-eyed among you, there's astrological spring, which starts on 20 March. And now I've found another one - phenological spring, the timing of which depends on natural events, for example the flowering times of certain plants. So basically, spring comes whenever you fancy.

Now I would like to try to broaden the appeal of the scope of the article a bit. If you're not someone who 'does' gardening, you don't have to pick up a spade to enjoy it. Instead, just pick up a copy of the National Gardens Scheme's yellow book (or go on-line to the NGS) and look for a garden near you, or perhaps near someone you know, and make it a day out. Someone else does all the hard work; you can usually get teas, and it's all in aid of charities, both national and local.

BATHEASTON GARDEN GROUP 'The Development of the Gardens at The Newt in Somerset': Stephen Herrington

19:30 on Wednesday 13 March at Bathford Parish Hall.

Stephen's career in horticulture includes working at RHS and National Trust gardens before taking up his current post of Head Gardener at The Newt in December 2020. Stephen will talk about the creation of the gardens at The Newt and recent developments including the newest element, The Four Seasons Garden.

Entrance to the talk is free to Batheaston Garden Group members. Non-members welcome, admission £5 (pay on the door, no need to book).

Batheaston Garden Group's programme of garden visits starts in April with a visit to

Kemble House near Cirencester highlighting tulips, followed in May by a visit to Church Farm, Wellow known for its meadow gardens. A coach trip to The Savill Garden, Windsor has been arranged for June. There are visits to Scots Farm, Malmesbury, Veddw House Garden near Chepstow and Batcombe House near Shepton Mallet before the autumn programme of talks commences in October.

Batheaston Garden Group welcomes members from all parts of Bath and the surrounding area. For information on this year's programme of talks and garden visits and on how to become a member, please visit www.batheastongardengroup.co.uk

The Review!

by Judy Marris

Peter Pan - What a joyful evening! The Bathford Players' production of "Peter Pan the Panto" delivered everything you want from a pantomime. There was a clever set, excellent acting, energetic and well executed singing and dancing, a dame who gave us excruciating jokes and puns and, of course, a most villainous villain. And all was accompanied by live music and an audience ready to cheer, clap, sing and shout out as required.

The scene was set with a spirited sword fight between Hook and Peter Pan which resulted in Hook losing his hand and acquiring his hook. Vengeance was promised. After meeting Tiger Lily and her band of 'Indigenous Neverlandian People' we moved swiftly on to London. Here we saw the Darling family and Nana and the arrival of Peter Pan and Tinkerbell in their lives. That grumpy punky fairy was just wonderful.

Once we returned to Neverland we met the Lost Boys and the Pirates and the scene was set for Hook's dastardly plot of revenge. The crocodile was fearsome, and Hook was duly eaten to everyone's satisfaction.

But what made this so joyful was the full cast singing and dancing. Wendy and Tinkerbell

Photos Mike Hende blossomed as the evening progressed even when faced by a difficult duet. Peter's energy

when faced by a difficult duet. Peter's energy throughout was exceptional as was that of the cast from oldest to youngest. My highlight? They performed what is, for me, one of the hardest musical songs 'You Can't Stop the Beat' from Hairspray TWICE. Fabulous!

BATHFORD PARISH

Notes from Council meeting 19 February

STREET FURNITURE

There are over 30 benches sited around the

Parish. The Council would like to assess which are commonly used by residents and which are not. We have reviewed the state of each bench and some need repair or just cleaning but we don't want to waste funds fixing benches that aren't used. Please let the Clerk know of any you use and/or think are in need of repair.

DEFIBRILLATOR

Please note that there is a defibrillator for use on cardiac arrest patients, available in Bathford village, located outside the front

entrance to the Village Shop. To access the machine, dial 999, ask for Ambulance and request the code to open the cabinet. Please make a conscious note of its location - it may help save a life.

MEADOW PARK PC CABINET

The Council is wondering if the cabinet in Meadow Park is used by residents for information on the Council and village events, or whether it's redundant, because it needs some repair. Perhaps it should be repositioned elsewhere in Meadow Park. Your opinion is welcome.
